Fully Assembled or Ready-to-Assemble

While fully assembled cabinets arrive ready to use, most of our cabinets can also be ordered ready-to-assemble – a great way to save money. All you’ll need is a flathead screwdriver, hammer, and an included nut driver.

Recessed Handle

Optional recessed handles for selected models of Standard and Deluxe cabinets offer easy access without obstructions protruding into narrow aisle ways.

Caster Kit

Add mobility to Standard, Deluxe, and Jumbo (24” deep only) cabinets. Perfect for offices and other areas where materials need to be secured yet accessible at different locations. Adds 6¼” to cabinet height.

Wood Laminate Top

Self-edged laminate top adds a work surface and provides a polished, finished look. Available in Sable Oak.

Adjustable Shelves

Shelves adjust in 2” increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts which adds rigidity and prevents small items from falling over edge or rear of shelf.

Reinforced Doors

Each door* incorporates an extra wide reinforcement that is welded for added strength and stability.

*Except C-Thru

Three-Point Locking

Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

Chrome Handles

Attractive polished chrome handles (standard cabinets) or brushed chrome handles (deluxe cabinets) lock doors securely and allow easy opening and closing with a single turn.

Raised Base

Cabinet Bases use “box” construction for added overall stiffness. The raised base also keeps materials out of harm’s way from cleaning liquids.

High Security

Standard or high-security locks are available. Keying options include standard keying, master keying (one key fits all storage cabinets) or single-key (allows all of your Tennsco products* to be opened by one key).

*Excludes Tennsco Glass Door Bookcases.

Options

- Fully Assembled or Ready-to-Assemble
- Recessed Handle
- Caster Kit
- Wood Laminate Top
- Adjustable Shelves
- Chrome Handles
- Raised Base
- High Security

Storage Cabinets Are Not All Created Equally

If you thought storage cabinets were all the same, think again. Tennsco storage cabinets offer a real difference. Whether your application involves office, industrial or general storage, you’ll be impressed by Tennsco Storage Cabinets in their quality construction, good looks and long term performance.

Select from the following types of Storage Cabinets:

- Standard Storage Cabinets
- Deluxe Storage Cabinets
- Jumbo Storage Cabinets
- C-Thru Storage Cabinets
- Specialty Storage Cabinets

And, Tennsco’s powder-coated paints, which emit no off gases, coordinate with any work environment while offering a long lasting attractive finish. (See back cover for representation of available colors and to learn more about our indoor certification.)

Just compare the standard features that all Tennsco Storage cabinets offer.
Storage Cabinets for Office & Industrial Applications

STORAGE CABINET

Jumbo Storage Cabinets are ideal when you need extra capacity for those “big” storage problems. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span.

Jumbo Features:
• Adjustable Shelves
• Leaf-Hinges
• Three-Point Locking
• Reinforced Doors
• Two Brushed Chrome Handles
• Raised Base
• Two Adjustable Levelers
• Heavy Gauge Steel

Available Types:
• Deluxe (pg.6)
• Jumbo (pg.8)
• Standard (pg.12)
• C-Thru (pg.14)

WARDROBE CABINET

COMBINATION CABINET

STANDARD STORAGE CABINETS

Our standard Series Cabinets offer many special features of the Deluxe, including heavy-duty construction, three-point locking mechanism, raised bottom and built-in shelf support tabs. All at an exceptional value. It’s the perfect choice for office or industrial applications.

Standard Features:
• Adjustable Shelves
• Three Leaf-Hinges Per Door
• Three-Point Locking
• Reinforced Doors
• Raised Base
• Heavy Gauge Steel

Available Types:
• Deluxe (pg.6)
• Jumbo (pg.8)
• Standard (pg.12)
• C-Thru (pg.14)

COUNTER HEIGHT CABINET

Select the cabinet that meets your needs.

DELUCE STORAGE CABINETS

Our Deluxe Series Storage Cabinets have set the standard for quality, convenience and performance for over thirty years. Premium quality steel throughout and 16 Gauge door frame construction combined with four knuckle-hinges make these the most rugged cabinets of their kind.

Deluxe Features:
• Adjustable Shelves
• Knuckle-Hinges
• Three-Point Locking
• Built-In Shelf Support
• Size Options
• Reinforced Doors
• Two Brushed Chrome Handles
• Raised Base
• Two Adjustable Levelers
• Ventilation Louvers in back
• Heavy Gauge Steel

Available Types:
• Deluxe (pg.6)
• Jumbo (pg.8)
• Standard (pg.12)
• C-Thru (pg.14)

JUMBO STORAGE CABINETS

Jumbo Storage Cabinets are ideal when you need extra capacity for those “big” storage problems. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span.

Jumbo Features:
• Adjustable Shelves
• Leaf-Hinges
• Three-Point Locking
• Built-In Shelf Support
• Size Options
• Reinforced Doors
• Two Brushed Chrome Handles
• Raised Base
• Heavy Gauge Steel

Available Types:
• Deluxe (pg.6)
• Jumbo (pg.8)
• Standard (pg.12)
• C-Thru (pg.14)

C-THRU STORAGE CABINETS

In today’s security conscious environment, the need to know the contents of cabinets may be important. Tennsco’s C-Thru Cabinet allows visual inspection and scrutiny without opening the cabinet.

Available in Deluxe, Standard, and Jumbo versions.
Deluxe Storage Cabinets
Our Premium Storage Cabinet

Tennsco Deluxe Storage Cabinets set the standard for quality, convenience and performance for over 30 years. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use. This cabinet uses heavy gauge steel throughout and 16 gauge steel for the door frame. The combination makes this cabinet a clear winner over lighter duty products. Choose from assembled or unassembled versions.

**Adjustable Levelers & Knuckle Hinges**

Two adjustable levelers compensate for uneven floors. For secure and smooth operation, Deluxe cabinets use four knuckle hinges on each 78” high cabinet door and two on 42” high doors.

**Double Handles**

Two brushed chrome handles, with one that locks both doors, make door opening and closing easy.

**Louvered Back Panel**

Louvered back panel provides cabinet ventilation by allowing air circulation.

Select from two depths; 18” or 24” deep and two heights; 42” and 78” high units. All units 36” wide.
Jumbo Storage Cabinets
Our Largest Storage Cabinets offering 48” Wide Capacity

Need extra capacity for those “big” storage problems? Tennsco’s 48” wide x 78” high cabinet provides 33% more storage space than a normal 36” wide cabinet.

Our specially engineered shelves utilize box formed construction to accommodate heavy loads, even with the extra wide shelf span. Each extra wide door rides on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors. Choose from assembled or unassembled versions.

This cabinet combines welded box-formed shelves, which are securely attached to a heavy gauge steel housing by six shelf tabs making this cabinet a clear winner over inferior offerings.

Eighty percent more capacity than normal cabinets improves your storage by allowing for extra wide shelves that hold even the largest items. The unit features standard “box” construction to provide additional rigidity and strength. Each extra wide door rides on four heavy-duty leaf hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors. Choose from assembled or unassembled versions.

Two brushed chrome handles, with one that locks both doors, make opening and closing of the dual swing-out doors easy.

Two adjustable levelers compensate for uneven floors and keep the doors properly aligned.

Cabinet bases utilize “box” construction to prevent racking while allowing easy access to the bottom shelf.
The Jumbo 48" Combination Storage Cabinet model offers a wide variety of storage options.

Adjustable cabinet shelves are engineered with welded box-formed construction and lapped and welded corners. Shelves attach to the cabinet in six locations to allow up to 400 lbs. of weight per shelf.

Cabinet doors are constructed with reinforcement panels to accommodate the larger 48" width.

Casters and Handle Options
Add mobility to your 42"h Jumbo cabinet with an optional caster kit and optional handle.

Sliding Doors is the perfect solution for restricted space areas such as hallways and add only 3½” depth to cabinet.

Jumbo Cabinets are offered with C-Thru door options; refer to pages 14-17 to learn more.
Tennsco’s Standard cabinets are built with premium quality steel and reinforced doors for long term performance at an attractive price.

Dual swing-out doors ride on heavy-duty leaf hinges. Larger size cabinets use three hinges to assure doors stay aligned.

Attractive polished chrome handle with lock activates the cabinet’s three-point locking system for added security.

Select from two depths; 18” or 24” deep and three heights; 30”, 42” and 72” high units. All units 36” wide.
C-Thru Storage Cabinets
Our Security Conscious Storage Cabinet

C-Thru Storage Cabinets are the perfect solution for viewing contents of cabinets without violating people’s privacy in schools, industrial applications, airports, prisons and more where concealed belongings need to be scrutinized.

C-Thru door options are available for most Tennsco Storage Cabinets including wardrobe cabinets, combination cabinets, counter height cabinets and more. You’ll find the C-Thru option convenient for locating materials while meeting your security needs.

Clear acrylic door panels offer visibility to stored contents without the need to open the cabinet.

C-Thru Storage Cabinets can be ordered with either Standard, Deluxe or Jumbo cabinet features. (See pages 3 thru 5 for more information.)
Specialty Cabinets
Our Unique Application Cabinets
Tennsco's Specialty Storage Cabinets combine alternative storage elements together to create unique cabinets designed to fit the ever changing needs of business, healthcare, and manufacturing facilities. You'll enjoy all of the standard features of our cabinets including adjustable shelves, reinforced doors, recessed handles, raised bases, and three-point locking.

Now you can fuse components and documents in one unit. Our Storage/File Drawer Cabinet offers ample space for applications that have unique storage needs. Locks on cabinet and drawer are keyed the same for easy and safe security.

1. Easy Access Shelves
2. Deep Shelf Space
3. Reinforced Doors
4. Three-Point Locking

Optional recessed handle offer access without obstructions protruding into narrow aisle ways.

Now you have a choice with Tennsco's Welded Combination Bookcase/Storage Cabinets. Choose to place valuable materials in the lower cabinet that can be locked or place everyday materials at your fingertips using the upper shelves of the bookcase.

Safely Store Items in Lower Cabinet or Exposed Shelves

Shelves adjust vertically in 2 5/64" increments to accommodate materials of any size. Shelves can also be adjusted on 12 1/2" centers which are clearly identified ... perfect for binders.

Note: Casters are not available on units with pull out drawers.
Specialty Cabinets
Our Unique Application Cabinets

60" and 66" High Storage Cabinets

When your application presents height restrictions, our new 60" and 66" high cabinets are the perfect fit! Both storage cabinets are available 36" wide and 18" and 24" deep. Choose from either our combination or standard cabinet, both feature heavy gauged steel throughout, for years of use.

66" HIGH COMBINATION STORAGE CABINET

66" HIGH STORAGE CABINET

60" HIGH STORAGE CABINET

72" HIGH LAPTOP CHARGING STATION

Our Laptop Charging Station is the ideal solution for charging multiple laptops in one convenient cabinet. Both sized cabinets feature perforated doors which allow heat to dissipate, providing a safe environment.

ELECTRICAL POWER

Choose from either our 72" high unit which features 32 outlets or our 42" high unit which features 16 outlets. Both electrical power strips feature a power switch and a 15 amp circuit breaker with a reset button.

REFERENCE SHELF

Create an instant workspace with our pull-out reference shelf; only available on our 72" high cabinet.

42" HIGH LAPTOP CHARGING STATION

Adding mobility allows the cabinet to be where you need to be; available on both our 42" and 72" high cabinets.
Compartmentalize your items with the use of bins. Bins rails accommodate plastic or metal bins.

**BIN ATTACHMENT RAIL**

Compartmentalize your items with the use of bins. Bins rails accommodate plastic or metal bins.

**ADJUSTABILITY**

Bin rails adjust on 2" centers, providing flexibility to store a variety of bin heights. Bin rails are connected with a snap-in rivet design, so no tools are needed.

78" High Storage Cabinet for Bin Box Storage

Ideal for small component storage, our Storage Cabinet with bin rails allows you to attach bin boxes to keep your inventory organized and out of sight. The cabinet at 78" high is large enough and tough enough to hold an assortment of different sized bin boxes. Only available fully assembled.

Bin boxes are not provided or sold by Tennsco.

Storage Cabinets with Perforated Doors

Tennsco Storage Cabinets with Perforated Doors provide visibility and ventilation. They are perfect for applications where personal belongings need to be securely locked but vented. Perforated Doors are available on our 72" high standard storage cabinets and our 78" high jumbo cabinets.
All Tennsco’s Storage Cabinets are electrostatically painted with a tough, long lasting powder finish to ensure years of lasting beauty. Choose from five standard finishes.

Standard Colors

- Sand (214)
- Champagne/Putty (216)
- Light Grey (53)
- Medium Grey (2)
- Black (3)

Finishes shown above are representative of the actual finishes. Please contact your local Tennsco dealer for more precise color swatches.
